Employee Guide to Employment Verification Service

ADP Employment Verification, powered by The Work Number® from Equifax, privately and securely provides automated income and employment verifications to help keep your life moving! No more searching for paystubs!

If the banker, the property manager, the car dealer or caseworker asks you how much money you make or to prove where you work, just tell them to go to www.theworknumber.com.

Why? Because your employer has opted to have The Work Number provide this information to help you get the decisions you need 24 hours a day, 7 days a week.

If someone, such as a mortgage lender, property leasing company, a financial institution, or a government agency, needs help, direct them to:
